

Mike O'Malley
Senior Vice President, Government & Public Relations
Direct ChassisLink, Inc. (DCLI)

Mike O'Malley serves as Senior Vice President, Government and Public Relations for DCLI. In this role, he is the primary point of contact for the Company with external stakeholders such as regulators, legislators, trade groups, and the media.

Mr. O'Malley's career includes more than two decades in public affairs, transportation and supply chain-related leadership positions. From 2002 to 2007 he held multiple roles within the U.S. Department of Transportation (DOT) in Washington, D.C., including Deputy Assistant Secretary for Policy. He joined CSX at its Jacksonville, Florida headquarters in 2007 as Vice President, State Government and Community Affairs, and later was named Vice President, Procurement and Supply Chain Management. Before joining DCLI in August of 2020, Mr. O'Malley most recently served as President of the Railway Supply Institute (RSI), a Washington, D.C.-based trade association representing more than 200 manufacturers and service providers to the nation's railroads.

Mr. O'Malley holds a Bachelor of Science in Finance from the University of Illinois at Urbana-Champaign, a Master of Business Administration from Northwestern University's Kellogg School of Management, and a Master of Science in European Studies from the London School of Economics.

About Direct ChassisLink, Inc.

DCLI is the largest provider of marine and domestic container chassis and a leading provider of asset management services to the U.S. intermodal industry. The company owns, leases, and manages over 153,000 marine chassis and 89,000 domestic chassis. DCLI's strategic partnership with Blume Global uniquely positions the company to deliver value to its customers across the supply chain ecosystem. DCLI has a strong focus on safety and sustainability and is a participant in the U.S. Environmental Protection Agency's (EPA) innovative WasteWise program. DCLI is majority-owned by Apollo, a leading global alternative investment manager with assets under management of approximately \$280 billion as of December 31, 2018.
