

Melissa Contrevo

Senior Manager, Supply Chain Logistics & Operations

Melissa Contrevo is an accomplished international supply chain professional with more than 15 years of progressive experience providing exceptional leadership and strategic solutions to maximize profits while decreasing operational expenses. She graduated with a bachelor's degree in Operation Management from Southern New Hampshire University and is also a member of the National Society of Leadership and Success. Her expertise covers a wide range of functions including strategic analysis, import/export operations, transportation and logistics, warehousing, 3PL implementation and management, freight optimization, negotiating carrier contracts, benchmarking, and business systems analysis. Melissa held positions of increasing responsibility in many key Supply Chain functions, including inbound logistics, import operations, international transportation, distribution operations, international operations, and financial planning.

Melissa is currently the Senior Manager of Logistics at Five Below where she utilizes her experience to oversee all international logistics and operations. In this role she is responsible for recruitment and professional development of the logistics team, forwarder implementation and management, negotiating multi-million dollar contracts, as well as driving efficiencies within the supply chain. Melissa is

motivated and passionate about her career which drives her to support the goal of ensuring on time deliveries to keep the customers satisfied.

Melissa resides in New Jersey with her husband and two children. When she is not working, she enjoys cooking, bike riding, and spending time at the shore with her family.
